

HUNTING / LANDOWNER RULES

PRGC HUNTING POLICY

Please remember that our Club Rules for hunting were established so that we could keep good relationships with those landowners who allow the Club the privilege of hunting their lands and to insure a minimum number of conflicts between our members. Please obey all State laws as outlined in the hunting guides and observe the spirit and the letter of our rules.

General Club Rules

Remember that as a sports man or woman, you represent all hunters. The actions of a few stereotype all of us. Hunt ethically! Hunt legally! Hunt safely! Hunt courteously! Obey land owner's special instructions. Obey Club restrictions! Please share your game with landowners! Please say "thank you" when you see them! The following rules, which apply to all lands owned and posted by the Club were approved in 1993 and still remain in effect:

1. Members must have their current membership card on them while hunting.
2. Members must wear the Current Club button while hunting.
3. The vehicle must have Current Club Parking Pass displayed in your vehicle window.
4. On lands not owned by the Club, parking must be in an area designated by signs or the landowner.
5. Safety Zones must be obeyed.
6. All persons not authorized on the land must be challenged.
7. All persons accepting Pheasant tags, must complete a report at the end of the year.
8. All land owners have a strict prohibition about vehicles on their property. Please respect this restriction. Before you use any vehicles, such as ATV's, ask permission.

A reminder: The by-laws permit a child (under 12) of a member to accompany the parent but that child cannot hunt. If they are 12 or older, they can join the club as a Junior Member. **THIS DOES NOT APPLY TO ADULT CHILDREN OF MEMBERS, ONLY THOSE TOO YOUNG TO JOIN THE CLUB.**
